

Dear Parents/Guardians:

I hope this email finds you well and looking forward to the April break with your children and family.

I am writing on behalf of the Milton High School's Debate Team and our Future Business Leaders of America and ask that you please consider supporting our students on the National level:

First, we have the **MHS Debate Team** - Domenic Jancaterino (Grade 11) and Aislinn O'Brien (Grade 12) are preparing to compete at the National Tournament held in Louisville, Kentucky this May (Memorial Day Weekend). They qualified for this tournament by coming in first place at a tournament in Shrewsbury this past February. Both Domenic and Aislinn will have access to their debate materials on April 15th followed by the instructions to begin researching as soon as the topic is released. With that said, they still have some fundraising to do to see this opportunity come to fruition. The hotel rooms for the two students and the Debate Coach have been funded by a donors choose project that was set up and overwhelmingly supported by friends. Special thanks to those who made a contribution. With that said, we still have \$2,000 to raise to cover airfare and activity fees. We hope to raise this money through a Gillette Concert Raffle ticket sales. **Please see the attachment for the Concert Ticket raffle.** If you would like to sponsor a portion of the trip by simply making a donation, that too will be greatly appreciated.

Secondly, we have the **MHS Future Business Leaders of America** - On Thursday, April 6th twenty-three Milton High School Future Business Leaders of America (FBLA) attended the FBLA State Leadership Conference at Bentley University. The students gained valuable insight and tips from industry leading executives, participated in leadership activities, networked with future business leaders from across the state and competed in business events. The day culminated with an awards ceremony honoring the top finishers in the state. The following students earned top honors: State Champion in Hospitality Management: Nuasheen Chowdhury, Ornella Ebongue and Domenic Jancaterino, second place Economics: Domenic Jancaterino, third place Economics: Peyton Carvalho, fourth place Economics: Nuasheen Chowdhury; fourth place Advertising: Lilli Cormack, second place Job Interview: Ornella Ebongue, fourth place Job Interview: Suvan Shukla; fourth place Public Speaking: Karisa Lasoff, third place Publication Design: Linda Do and Vincent Luong; fourth place Sports & Entertainment Management: Chris Caputo, Peyton Carvalho and Will Jrolf. These students, along with Massachusetts FBLA State Secretary, Tim Walsh have qualified to compete at the FBLA National Leadership Conference in Anaheim, California June 29th - July 2nd.

FBLA students have been working hard to raise money for this expensive trip to Anaheim, CA. They still have 23 Miltonopoly games (\$25), 25 Milton ties (\$25), and color changing water bottles (\$5). If you would like to purchase any of these products please stop by the Booster Concession stand, or contact AJ Melanson at amelanson@miltonps.org. Cash donations are also greatly appreciated!

Thank you in advance for your consideration and ongoing support!

James F. Jette

Principal
