

Daffodil Days®

February 2010

Dear Parent:

We would like to invite you and your child to make a significant contribution to our community by participating in the American Cancer Society's Daffodil Days campaign. Daffodil Days is a simple fundraiser offering students, parents, and school faculty the opportunity to buy a bouquet of daffodils to benefit the American Cancer Society. Daffodils were selected because this first flower of spring represents a symbol of hope for cancer patients across the country.

For a donation of \$10, your child will receive a bouquet of 10 daffodils. Again this year we will offer bloomed potted daffodils for \$15, as well as our newest addition to the Boyds™ Bear collection, "Birthdays R. Hope." Gifts of Hope are also available which fund American Cancer Society programs, while making daffodil bouquets available to local cancer patients. NEW this year, we are excited to offer Bear Hugs for Hope. The donations from Bears Hug for Hope allow limited-edition Boyds™ Bears to be delivered to children impacted by cancer and help support the Society's mission.

Please use the form below to order and return it to the school by MARCH 31st. Flowers will be delivered to the school the week of March 22 for your child to bring home.

Please join us in the effort to create a world with less cancer and more birthdays – where cancer never steals another year from anyone's life. Thank you for your cooperation.

Sincerely,

Orders should be placed by MARCH 3, 2010.
