Friday Nights offers students the opportunity to enjoy organized sports and gym games, then settle down with a movie and popcorn while parents enjoy a quiet dinner alone. This opportunity for regular physical exercise and social interaction help develop self-esteem important to children’s development; and a bridge between older and younger citizens creates a positive force for our community.

Movies will be chosen from among a group of classics and recent releases. Each will have a positive message of friendship, responsibility, citizenship, compassion, diversity or determination. Students will help choose from many titles including: *Angels in the Outfield, A Bug’s Life, Babe, Charlotte’s Web, Cool Runnings, Finding Nemo, Gulliver’s Travels, The Lion King, Old Yeller, Oliver Twist, The Rookie, Swiss Family Robinson, Cars, Happy Feet, The African Queen, Toy Story, The Time Machine, 20,000 Leagues Under The Sea, The Miracle Worker, Fantasia, Homeward Bound, The Karate Kid, and Battle For Terra.*

Future Stars Director Jason Green is a MHS football and basketball coach and former Wildcat star player.
