Re: Glover School Principal Update

I am very pleased and proud to announce that I have appointed Ms. Stephanie Nephew to the position of Glover Elementary School Principal.

Ms. Nephew's appointment was the result of the hard work of the Glover Principal Screening Committee. This committee was comprised of parents, teachers and administrators, who reviewed forty applications and interviewed nine semifinalists. I would like to thank the following individuals who served on this important committee:

School Committee Chair Lynda-Lee Sheridan, Assistant Superintendent for Curriculum & Personnel John Phelan, Principal James Jette, Principal Christine Gerber, Elementary Language Arts Coordinator Martha Sherman, Glover Teachers Catherine Maliel, Carolyn O'Connor and Margaret Turner, Parent Representatives Becky Padera, Kimberly Zieselman, Julie Freking and Toya Farrar.

I am certain that Glover's students, teachers and parents will be pleased and will enthusiastically support the appointment of Ms. Stephanie Nephew, who currently works for the Milton Public Schools as the Humanities Coordinator at Pierce Middle School.

I am confident that Ms. Nephew's experience and education combine to make her immensely qualified to assume the role of Glover Elementary Principal. This experience includes teaching at the elementary school level and middle school level, Grades 6-12 Humanities Director, and extensive curriculum and leadership experiences.

Ms. Nephew earned her Bachelor of Arts degree from William Smith College, Masters of Arts in Education in Early Childhood Education and Elementary Education from Tufts University and her Certificate of Advanced Graduate Studies in Administration from the University of Massachusetts.

I am sure that you join me in wishing Dr. Dore Korschun years of health and happiness in her retirement and congratulating Ms. Stephanie Nephew on her appointment.
