

Phone calls / Fax to Legislators on the Stimulus Package

Hello, my name is _____ from Milton and I am asking for your support in using the Federal Stimulus package to restore education funding to Cities and Towns. While the Chapter 70 funds have technically not been cut this year, our school system has lost \$200,000 through a combination of Local Aid and Circuit Breaker cuts. Please support the spirit of the stimulus package by using those funds to first restore local education aid in all of its forms.

Thank you.
