### ENROLLMENT FOR 2010-2011 SCHOOL YEAR

THE INTEGRATED PRESCHOOL IS ACCEPTING APPLICATIONS FOR PEER ROLE MODEL SLOTS FOR THE 2010-2011 SCHOOL YEAR:

#### STUDENTS WITH SPECIAL NEEDS:

-All currently-enrolled students (who will be between 3-5 years of age on 8/31/10,) who are receiving special education services (who continue to be eligible for such services,) shall have a space held for them for next year. The schedule will follow the child's Individualized Education Program.

NOTE: We are working to ensure that our class enrollment is balanced- and thus, while we certainly shall consider any requests, we cannot guarantee teacher assignment or schedule beyond what is stated in the current IEP. -We continue to evaluate many students (residents of Milton) who are within 2.9 - 5 years of age for possible special needs. As always, any children who are found to be eligible for and require special education services shall be offered such services.

#### MODEL PEER STUDENTS:

-All currently-enrolled Model Peer students will again be offered a space next year.

NOTE: We regret that we cannot hold a space for a child for whom there is an outstanding tuition balance.

NOTE: We work to ensure that our class enrollment is balanced- and thus, while we certainly shall consider any requests, we cannot guarantee teacher assignment or schedule.

-NOTE: We will be offering spaces to siblings of current students for all children who meet our criteria for Model Peers.

-NOTE: The screening process for siblings of current students will begin in February 2010.

-NOTE: Once the number of openings for new students is determined the open screening process will begin. New students will be screened and considered as applicants. Prior to screening the MPS Registration packets must be submitted and approved as completed. Completed application packets are available in the "New Student Reistration Information" section of the MPS website and can be submitted to Denise Kelly at the Milton High School after February 1, 2010. Applicants will be screened in late February and a decision letter will be sent to parents by the end of March. The Integrated Preschool program seeks to balance the classroom therefore we select peer role models based on the need for the up coming year. Peer role models must be three years of age by September 1st, 2010.
