

In July, 2015, The Milton School Committee passed a Residency Policy that states “students who are enrolled in the Milton Public Schools shall be required to re-establish residency prior to entering grades **six** and **nine**...” Also, The Milton School Committee’s Residency Policy states that “students who are enrolled in the Milton Public Schools but attend an educational program outside of the town shall be required to re-establish residency on an annual basis.”*

*This includes all students who attend Blue Hills Regional Technical School, Norfolk County Agricultural High School and Special Education out-of-district placements for students entering Grades 6 and 9.

As a parent/guardian of a child/student who meets the criteria mentioned above, you are required to go to the following link: <http://www.miltonps.org/documents/Re-establish2017Doc.pdf> and fill out a Re-establish Residency Packet. **Please be sure to provide the required documents from all three columns.**

This is one of the safeguards used by the Milton Public Schools to ensure that all students enrolled in our schools are residents of the town of Milton. Although the re-establishment process may be an inconvenience for some families, we hope that residents understand that this is a valuable tool to protect taxpayers in the town of Milton. We work year-round on residency issues and this is simply one more method to assist us with ensuring residency compliance. The Residency Coordinator for the Milton Public Schools will be working morning and evening hours all summer long to facilitate parents/guardians work schedules. Staff will be in the Milton High School main office (25 Gile Road) every Tuesday and Thursday from 7am to 10 am; and Tuesday evenings from 4-8pm. Parents/guardians must submit their Re-Establish Residency packets before the start of school to ensure their child’s uninterrupted placement. The Residency Coordinator can be reached at 617-696-4470 ext 5516 or at plesenechal@miltonps.org
