

Milton Public Schools Adult Education Program

SAT Prep Courses @ MHS Spring 2010

The Milton Adult Education Program is pleased to offer SAT Prep courses to High School students who are looking to improve their SAT scores.

Students can sign up for a **Verbal Prep course**, a **Math Prep course**, or **both courses scheduled to accommodate a busy schedule**.

Each course includes 12 hours of instruction and is held at Milton High School.

Students who are Milton residents will receive a free copy of the College Board's "Official SAT Study Guide", a \$20 value thanks to the generosity of the Copeland Family Foundation.

Read what some of Milton High School's Administrators have to say about the program:

"This is a great opportunity. To show your best you have to be prepared."

- Dr. John Drottar, MHS Principal

"The program is an outstanding resource for any student preparing to take the SAT. The individualized instruction combined with the official study guide will provide all students with effective approaches to take the SAT with confidence."

- Dr. Kenneth Aubert, MHS Director of Guidance

Please see the specific course listings and course registration information on the following pages.

Milton High School SAT Prep Classes
