

EXTENDED DAY SERVICES

Per Massachusetts regulations, guidelines for an extended day are noted below:

“The daily duration of the student's program shall be equal to that of the regular school day, unless the Team states that a different duration is necessary to provide a free appropriate public education to the student. In such case, the Team shall specify the daily duration of the program, and the Team shall state on the IEP the reason for such different duration.” (From Massachusetts Regulations 603 CMR 28:05)

The determination of extended day services is a team decision.
