April 2010

Dear Parents/Guardians,

I would like to welcome both you and your child to the Pierce Middle School community. Almost ten years ago the Pierce Administration implemented the “Welcome to Middle School Camp” to alleviate the anxiety (fear of the unknown) of the upcoming grade five students. The transition to middle school from the elementary setting is quite different and often intimidating; our camp allows the children to experience “a day in the life of a grade six student.” Students will familiarize themselves with the building, administrators, agenda books, lockers and Pierce faculty - as our teachers assume the role of Camp Counselors, Your child’s camp experience will be fun, enriching, and academically motivating! I am urging all parents/guardians to enroll your current grade 5 student in our camp. If you have any questions, please do not hesitate to call me.

Sincerely,
James F. Jette
Principal
