Empowered Digital Use Policy

The Milton Public Schools Empowered Digital Use Policy (EUP) is designed to promote positive use of technology by students throughout the district. In order to develop a digital footprint that reflects the values of the district and be ethical digital citizens students will:

1. **Be empowered.** Solve problems, create something awesome and share ideas.
2. **Be courteous.** Help foster a school community that is respectful and kind. Give credit where it is due.
3. **Be smart and be safe.** Use technology in ways that are appropriate and ways that you would be proud to show your family and teachers.
4. **Be careful and gentle.** Technology tools can be fragile. Help us take care of our devices and networks.

It should be noted that this Empowered Digital Use Policy is in addition to the Acceptable Use Policy & Social Networking Policy, not in place of.
