

My Fourth of July

For my Fourth of July my family goes down to Cape Cod and we go to a parade. They throw candy out of the trucks. I get a lot of candy. After they throw all the candy out my family gets to walk in the parade. We walk all the way to the baseball field. It is a long walk but it is worth it in the end. At the baseball field we watch the Cotuit Kettleers play. There are games and a dunk tank there too. There is even a slip and slide. Sometimes I get in the dunk tank and my siblings try to dunk me. Then after we go to the field, we go home and change out of our wet clothes. Then we have lunch and go to the docks and go fishing. We stay there all day. I go and catch crabs in the rocks. We go home to eat dinner, then we come back and watch the fireworks. And that is how I spend my Fourth of July in Cotuit. I love spending it with my family.
