

# DCD Connects

A focused initiative bringing speakers, films and discussions to the community to support our collective goal of ensuring that children grow balanced, connected and whole – Dedham Country Day's core values in educating children.

Coed • Pre-K to Grade 8

## Join Us!

November 7

6:30-8:00 p.m.

**Raising Digital Natives: What's New? What's Now? What's Next?**

**Katie Greer, Internet Safety Expert**

It can be daunting being a parent in these digitally-driven times, where our children were born digital natives and as parents, we're desperately trying to keep up!

Katie Greer, a nationally recognized digital safety expert will be on DCD's campus to update parents on the latest tech trends and safety issues. Katie will share with us strategies for helping our children develop productive, healthy, and safe relationships with technology and the internet.

**This DCD Connects event is free and open to the public.**
