2021 Board Meetings, January - June

Mon Jan 11, 6:30 - 8:30

Thu, Feb 25, 6:30 - 8:30

Tuesday, March 23 - 6:30 - 8:30

Monday, April 12 - 6:30 - 8:30

Tuesday May 18 - 6:30 - 8:30

Tuesday June 8 - 6:30 - 8:30

Estimated time commitment: 3-5 hours per month (including attending meetings, principal emails, and parent communications)

Role: to serve as a point of contact and liaison between parents, teachers and school administrators for student-specific issues; to serve as the “face” of SEPAC in the building; and to help collaborate between the parents, teachers and administration of the school, and between the school and other schools, on issues of relevance to special needs students and their families.

Responsibilities:

- Ongoing communication with the school principal. These could consist of general “check in” emails, emails to the principal regarding specific concerns raised by a parent, student or teacher (if appropriate), or general concerns relating to the district’s special needs programming and procedures, emails regarding upcoming SEPAC events or meetings, or any combination of these.
- Meet at least once during the year (preferably at the beginning of the year) with the team chair for the school.
- Become familiar with the types of special needs programs that are available at the school.
- Review other school-specific groups (PTO, site committee, diversity committee, etc.) and ensure that the rep is added to all such mailing lists. In addition, if possible, attend 1-2 meetings of each group per year to build contacts and relationships.
- Attend all SEPAC board meetings.
