Sign me up for
Tails and Tales
2021 Summer Reading Challenge
at the Milton Public Library

Dear Parents: Your child's homework assignment for this evening is to register for the Summer Reading Challenge. Participation in this program is required summer work for all Milton elementary students.

1.) Please complete information in Section 1 below and visit **miltonlibrary.beanstack.org** to register your child using that information. If you do not have computer access, please contact Marti O'Keefe McKenna, MPS Family Outreach Liaison at 617-980-7343 and she will be happy to assist you.

2.) After completing the online registration at home, complete Section 2 below, tear off and return to your child's classroom teacher by June 11th.

WE WANT TO BE SURE EVERYONE IS REGISTERED BEFORE THE CHALLENGE BEGINS.

Hints for success:
- No library card is required to participate… but we sure think it would be great if you got one. Children ages 5 and up are eligible for their own library card.
- **Take a photo of this registration form once you've completed it.** That way if you lose the form, you'll have a record of your summer reading signup information.

Section 1: Online Registration Information for miltonlibrary.beanstack.org

Child's First Name: _____   Child's Last Name: _____

Username: _____   Parent's Email: _____

Password: _____   Child's age: _____
6+ characters – case sensitive

Grade in Fall 2021: _____   School in Fall 2021: _____

- -

Section 2: Registration Information - Return to Classroom Teacher by June 11th

Child's Name: _____   Grade: _____
