There is much fun to be had this season in the Children's Room at the Milton Public Library! Cool family activities including books, programs, coloring, games, puppets and more are available every day for you to check out. In addition to our regular storytimes on Monday, Tuesday, and Wednesday, we have these exciting programs for the young people in your life happening during the week of December 01- December 07 2019:

**Friday, 12/06/2019**

**Free-Play Friday, Ages 0-5**

**10:00 AM-12:00 PM**

Drop by and enjoy puzzles, games and activities in the Story Hour room. The room will be open for two hours in the morning for you to enjoy with your little ones (ages 0-5). In partnership with the Milton Early Childhood Alliance.

**Saturday, 12/07/2019**

**Mad Science: Dry Ice Workshop, K-5**

**2:30 PM-3:30 PM**

Children will be introduced to the scientific concepts of phase changes and states of matter. They will witness the phenomenon of sublimation as we demonstrate the unique properties of dry ice and the spectacular "smoke" it creates. The children will learn that dry ice is really frozen carbon dioxide and will experience the Mad Science burp, a display of bubbling potions and, finally, a thrilling grand finale!

For grades K-5; registration is required and will open two weeks prior to the event. (Please use a zero NOT a K to register a kindergarten child.) Sponsored by the Friends of the Milton Public

Library.
