#	Question
1	wow
3	Has the start of school been pushed back?
4	I'd like to hear more about the stay at home model
5	Are teachers going to be required to work double by doing both online and in person teaching in the hybrid model, or fir parents that chose not to send kids to school?
6	This might be covered later in the meeting, but will there be any fall sports?
7	Will mps start 10 days late?
8	If the systems are not able to handle the merv-14 filters, then the filtration system is compromised as far as covid-19 goes, isn't that correct?
9	Is it possible to eat lunch outside? Or in classroom? Concern about eating in cafeteria- this is most risky time with masks off
10	Is the start of school going to be delayed?
11	Are teachers being trained now to better leverage technology from a remote learning environment?
12	Who will be responsible to clean up the class materials that are shared between staff members during transitions between classes (Computer keyboards, smart boards, etc)?
13	Are teaching plans already being adjusted to better adapt to the different environments?
14	How is the MTA revolting against full retuning impacting the MPS?
15	If we opt for full remote and there is some sort of in person learning, how will my child on an IEP receive special education services?
16	If we opt for full remote and there is some sort of in person learning, how will my french student get french immersion instruction on a LMS?
17	When will we know which cohort our student is in for the hybrid model? It will be helpful as parents plan for childcare needs.
18	Will remote learning cohorts be receiving the same streamed classes as the in person cohort?
19	How will arts, music, library, and spanish be incorporated in the hybrid and online models? when will children access that, and in which manner? will those teachers be in person to all classes, or online?
20	How will staff members and families be notified of possible covid exposure? will they be informed immediately with details regarding where and when?Will they be expected to quarantine? Will that be covered by the school for teachers? Will teachers be expected to teach if they are quarantined due to covid? What about substitute teachers how much of that will be available?
21	will the mhs community service requirement be reduced
22	In a hybrid model, will there be any form of before/after school programs or early arrival for breakfast?
23	Will the students at home be learning from the same teacher that is in person? Is the teacher who is doing the in person teaching also responsible for online learning? Will there be 2 teachers splitting the work load?
24	How will technologie, math, and Spanish be taught? Will those teachers travel into the classrooms in elementary schools in the Hybrid model?
25	Will students be expected to sit in front of their computers from 9:00- lunch time, and till 3:00 pm if we do full remote?
26	would pre-k be required to participate in virtual learning or can they just do the in person part?
27	If we are remote do you recommend families creating pods with hired professionals to help with learning especially for the k-2 kids who are in critical learning steps for reading?
28	If this question has already been answered and I missed it, I apologize. What is the plan/procedure/policy if a student tests positive? What will happen to the Group?
29	Once the decision is made (in person, hybrid, fully remote), would you please offer a similar Q&A session for the different educational levels (one for elementary, one for middle school, one for highschool)? Thank you for all the work you've done in this very challenging time!
30	If the CDC is recommending 6 feet for social distancing, why does DESE say 3 feet is acceptable for schools?
31	As of today, what is the anticipated plan to be put forth? hybrid/remote/full?
32	What about students on 504 accommodation plans? Will they receive the support that they need?
33	Regarding the 3 ft distance used in the "full" plan, I'm curious as to why 3 ft is used as opposed to the 6 ft currently recommended by the CDC?
34	Will Milton start 10 days later than originally planned, as the MA Teacher's Assoc. has agreed to? Or are you planning to start on the dates originally published?
35	To clarify, Have we decided on full time in school or hybrid? Etc?
36	Who will teach the full remote French Immersion? Also will there be Milton Community Schools ASE?
37	How will Cunningham be able to support full in person learning. Last night we were told that 3 ft apart does not work.
38	Why is the middle school schedule being aligned with the elementary school instead of the high school? A typical middle school schedule more closely reflects a high school schedule. This could also allow the middle school students to have a shortened day, eat at home and finish the day in remote settings.
39	What if my child has a hard time with the video on when it comes to remote from home learning? Can they use audio only?
40	Clarification: In the event of a hybrid or full in-person scenario, who (or what contractor) would teach the full remote opt-in French Immersion?
41	Is it possible to decide different models for the different ages? For example the elementary are hybrid and the middle and highschool are remote
42	Hello, My name is katiana Beausplan, why do you have to put a child that sick in a room with someone who already positive with COVID-19 what if that child is sick with another illness?
43	Will a full-return to school be prohibitive because of the cost to the district?
44	Just wanted to say thank you. As a parent of an incoming kindergartener, this was my first real interaction with MPS and I was very impressed. I know you all have an impossible task, and whatever you decide won't please everyone. So thanks for all your work. We're excited to get started in the fall, whenever and however that happens!!
