

Beginning June 3, 2019, Sarina Burke, Milton Public Schools Residency Coordinator will be in the Milton High School main lobby (25 Gile Road) with extended hours. Re-establish Residency packets will be mailed in May to families who must reestablish and packets must be submitted no later than June 14, 2019 to ensure a student's placement in Grades 6 and 9 or in an educational program outside of the district.

This process is one of the safeguards used by the Milton Public Schools to ensure that all students enrolled in our schools are residents of the Town of Milton. Although the re-registration process may be an inconvenience for some families, we hope that residents understand that this is a valuable tool to protect taxpayers in the Town of Milton. We work year-round on residency issues and this is simply one more method to assist us in ensuring residency compliance.
