

Brookwood's 2020 Annual Seedling Sale

This Year...ONLINE Only!!

In order to respect social distancing protocols and keep you, our staff and volunteers healthy, we are moving our annual seedling sale ONLINE this year.

Your order will be fulfilled with minimal handling and Contactless Pickup.

You will park in the Brookwood lot at your chosen pickup time, your seedling order will be placed on a table and you will pick it up and put it into your car.

Brookwood farmers have been hard at work since February planting and nurturing the seedlings. Brookwood Seedlings are grown onsite using organic growing methods.

2020 Online Shopping Guide

Please read the following suggestions carefully so that you can experience a smooth online shopping experience.

The ONLINE Seedling Sale will first open for shopping by 2020 MEMBERS ONLY and will then be opened up to the general public.

We strongly encourage members to shop and choose early pickup dates to ensure the largest selection of seedlings. (Last year's sale was extremely popular and many favorites sold out in hours.)

Members will receive the order link by the end of the week. The order link will be made available to the general public next week.

1. PLAN AHEAD

Go to www.BrookwoodCommunityFarm.org to see the list of available seedlings under Events tab.

We STRONGLY encourage you to do your research ahead of the online sale. There are descriptions of the seedlings on the online order form if you need more information at that time.

2. ORDER ONLINE

Read ordering instructions carefully.

Place your order using the shopping link you will receive soon.

CHOOSE your PICKUP DAY and TIME (it must be at least 1 day after you place your order)

You will be charged \$2 for a new box, purchased to hold your order.

There is a \$20 minimum order/donation.

3. PICK-UP

Because seedlings are fragile and need to be watered and protected, it is not possible for us to store orders. You MUST pick-up your order on the day and time you chose. Sorry, no exceptions.

4. VOLUNTEER!

If you are interested in volunteering to help fulfill seedling orders while following social distancing protocols, sign up here: <https://www.signupgenius.com/>

Brookwood Community Farm is a working, non-profit farm located at the base of the Blue Hills, in Canton, MA. Brookwood grows food sustainably for members through a community supported agriculture (CSA) model, provides on-farm educational and community-building opportunities, and actively supports food access projects.
