

CHALLENGER DIVISION

A hugely successful program, the Challenger Division is back for a sixth season and we anticipate that it will get better and better!

The Challenger Division of Little League enables boys and girls with physical and mental challenges, ages 5-18, or up to age 22 (if still enrolled in high school) to enjoy the game of baseball along with the millions of other children who participate in this sport worldwide.

OPENING DAY PARADE - APRIL 28, 2018!

To register a child, go to:

<http://miltonnationall.com/Registration/> and scroll down for the Challenger Division registration.
