Scratch Saturday, Ages 7-12

2:30 PM-3:30 PM

Do you love coding, or want to learn some? Try Scratch Saturday at the library and have fun learning how to make your own interactive stories, games, and animations — and share your creations with others in the online community.

Scratch helps young people learn to think creatively, reason systematically, and work collaboratively — essential skills for life in the 21st century.

Registration required. Laptops provided, but feel free to bring your own!
