

## Troop to Troop

Hello Family and Friends,

Our Girl Scout troop is collecting items to send to our service men and women serving aboard the USS Rushmore, which is currently stationed in Bahrain. We are hoping that you would like help by either purchasing any of the items listed below or by making a financial contribution (either cash or check made payable to Kelly Baker). We will use the donated money to buy the requested items and to help offset shipping costs. We would be happy to pick up donated items at your house or you can drop them off at one of our homes. Cards, letters and pictures are welcome too!

We would like to collect all items by December 7, 2018. We thank you very much for your support!
