Milton DPW wishes to announce that online map users now have the ability to view **Google Street View imagery** through our online mappers. **Google Street View** is a technology featured in Google Maps and Google Earth that provides panoramic views from positions along all streets in Milton.

1. To activate the street view select the **Google Street View tool button** located at the bottom of the **Tool Menu** (Tool Menu at upper right on map)

2. Once selected move your cursor to the location on the map you wish to view. (MUST BE ON THE STREET ROW) Then touch the map.

3. The Street View window will open (shown above) displaying an image of the location on the map you selected.
