

Milton School Building Committee

Family and Community Forum

Please join members of the Milton School Building Committee, along with Superintendent James Jette, Pierce Middle School Principal Bill Fish, and Collicot School Principal Holly Concannon for a MPS Staff and Faculty Forum on either
Thursday, March 3, 2022 at 7:30 P.M.

Or

Thursday, March 10, 2022 at 4:00 P.M.

The Committee will share current information about the need for a new school building, an overview of our proposed site, consideration of options for grade configuration for a new building, and progress that has been made to date.

We are scheduling this forum for **FAMILIES AND COMMUNITY MEMBERS** to keep you informed, and to hear your thoughts and questions about the proposed site and options for grade configuration. Your perspective is critical to inform our decision making. We hope this will be the *first of many opportunities* to share updates and hear your feedback as we pursue this important project.
