

## GLOVER/TUCKER Early School Arrival Programs (ESAP) - 2018/2019

### Online REGISTRATION Begins July 1<sup>st</sup>

This program operates in the Glover and Tucker cafeteria and gyms. It is open from 7:00am until the start of school, so if your family's day starts earlier than Milton Public Schools your children can join ESAP for an early start to their school day. ESAP is an affordable option for parents and a valuable transition to the school day for students. **ESAP begins the first day of school, August 29<sup>th</sup>**

#### ESAP USE

ESAP is designed for regular, scheduled use on a yearly or monthly basis. **It is also available on a drop-in basis on unscheduled days for anyone wishing to use it any day; however the daily rate per student is higher.**

1. If you know which days of the week you will use ESAP, you can register online in July\*
2. If your schedule is not yet confirmed, you can wait to register on site once school begins. You can register any morning; but allow yourself extra time to fill out the form.
3. You can always use ESAP on a drop-in basis if your schedule varies, but it is cheaper to register with a set schedule.
4. Unless a student is scheduled for a given morning at the beginning of the month, s/he is considered Drop-In.
5. Parents MUST escort their children into the ESAP program; they cannot be dropped off outside of the building.
6. Drop-In Cost is \$8.00 per child and must be paid that day at drop-in.

*ESAP is an optional program; participation is dependent upon students conforming to behavior expectations and parents making tuition payments in a timely manner.*

**Flexibility** You can use ESAP one or all days per week. We require that if you do not schedule all 5 days per week, you let the ESAP Supervisor know at the beginning of the month which days that month you will be using ESAP. As stated above, you can always use ESAP on a drop-in basis for an additional \$8 on unscheduled days.

#### Monthly Payments\*
