

Care Dimensions and the Good Grief Program at Boston Medical Center
invite you to attend

Free Family Craft Nights for Those Who Have Experienced the Death of Someone Close

(Attend one or all three of these events)

You are invited to join us for craft nights focused on remembering those who have died. These free events are open to children and teens (ages 4-18) and their caregivers who have experienced the death of someone close to them. The evening will include a free pizza dinner, games and an opportunity to make crafts and keepsakes to celebrate a special person and or family tradition. Families are welcome to drop in as they are able.

Each program takes place from 6:00 – 7:30 pm at the SPARK Center, 255 River Street, Mattapan. Free parking is provided. MBTA is accessible via 15, 24, and 27 buses.
