

# Sponsor a Senior!

We are hoping to make this year extra special for our Milton High School seniors and need your help this spring as we launch Sponsor a Senior!

## What is Sponsor a Senior?

- Sponsor a Senior is our effort to recognize every MHS Senior with a gift from the Milton community as they prepare to graduate. We are seeking volunteers from the Milton community to Sponsor a Senior and make this effort successful!

## What should I include in my Senior gift?

- Suggestions include an inspirational note or card, a gift card, a small gift, a sweet treat - anything to let our seniors know how proud the community is of their accomplishments, adaptability and resilience during a year long pandemic.

## How much should I aim to spend?

- The suggested amount for each senior gift is \$30-\$50.

## Can I sponsor more than one Senior?

- Yes! There are 274 MHS Seniors and the goal is for every senior to have a sponsor. If you can sign up to sponsor more than one senior, we will be able to reach our goal.

## How do I sign up to Sponsor a Senior?

- **Please sign up at this link** and email coordinators Macy Lee, Ellen Hoey, and Karyn Viveiros at **[mhssponsorasenior2021@gmail.com](mailto:mhssponsorasenior2021@gmail.com)** with any questions.

## What happens next?

- After sponsors sign up via email, you will receive your assigned senior(s), with information about your senior(s), suggestions for gifts, and instructions for dropping off your generous gifts on designated days at Milton High School.

**Thank you for helping us celebrate the MHS Class of 2021!**
