Dear Fellow Resident,

We write to ask your support of a wonderful program in the Milton Public Schools.

Please consider using the check-off box on your enclosed excise tax bill to make a gift to Milton Partnership for Arts & Cultural Enrichment (M-PACE). M-PACE is a program that brings art, music, and drama opportunities to our students at a level they might not otherwise experience.

For the past few years members of the community have donated generously to the schools through this excise tax option. We hope to continue providing the same level of programming to our students. In the 2017-2018 school year, your donation has funded many enrichment opportunities for our students including:

- 11th grade (pictured below) attended a performance at the House of Blues - Dec. 2017
- 9th grade students will attend a performance of Romeo and Juliet and 10th grade students will attend Macbeth - Feb. and April 2018
- 8th and 11th grade students saw the one man play Thurgood (pictured above) - Feb. 2018
- 8th grade students will attend a performance of Grooversity, a high-energy Brazilian Percussion Ensemble - Spring 2018
- 7th grade students viewed the traveling exhibit Hokusai - November 2017
- 6th grade students will view Historia Antiqua - Spring 2018
- 3rd grade students will attend an assembly with illustrator Raul Gonzalez - Spring 2018
- 4th and 5th grade students will attend a MathsAmazing assembly - Spring 2018
- 4th grade students will attend a Boston Symphony Orchestra youth concert - March 2018

None of these programs would be possible without the generosity of Milton taxpayers. To those who have given in past years, we express our appreciation. We hope you will continue to support these types of programs for our students. Your gift - in any amount - helps to make these learning experiences a reality.

As you will see, there is a check-off form on the enclosed tax bill. Please use it to indicate a gift to M-PACE. Under the terms of the Educational Reform Act, any money you add to your tax payment “is to be used solely to provide supplemental funding for local educational needs.” The amount of your contribution is fully deductible on your Federal and State income tax.

We appreciate your continued support.

Sincerely,
The M-PACE Board of Directors
