

## **CAROL HUNT**

Carol Hunt began working for the MPS in 1969 in the Milton High School Cafeteria.

After leaving to begin a career at the New England Telephone Company where she remained for 28 years, Carol rejoined the MPS workforce in 2005 as a Cashier at Pierce Middle School.

According to her co-workers, Carol Hunt always came to work with a smile and her smile was contagious. She found joy in her work, her co-workers and especially the students. She is known for how she dressed up and enjoyed every holiday. Her friends agreed that Mrs. Hunt did everything she could to make children smile and she treated all students as if they were her own children.

When hearing about Carol's retirement, Carol received special letters from some of her co-workers:

Marika Varnerin referred to Carol as "a sweet, loveable, and amazing person." She stated that she has learned a lot and laughed a lot working with Carol. According to Marika, working Carol Hunt was enjoyable and never boring!

Ana Ramos said she will remember Carol with great affection and thanked her for being such a true role model. Ana remembered how Mrs. Hunt was always there to help the children and teachers as well.

Somjit Bodda referred to Carol as her co-worker and Mom at the same time! She will fondly remember working with Carol and the good times they shared at the Pierce Middle School

Mrs. Hunt, it is obvious how well respected you are by your co-workers and everyone in the MPS. We thank you for your years of dedication. You will certainly be missed.
