

August 5th, 2022

Dear Friend –

We would like to take this opportunity to introduce you to the MHS Backstage Boosters!

The Backstage Boosters was formed a few years ago by Milton families to support and enhance the theatre program at the high school. We believe that a vibrant theatre program provides meaningful learning, community, and performance experience for so many students at MHS and are committed to rebuilding a strong theatre program with multiple performances per year. Since the theatre program is run as an after school club, is not part of high school courses or curriculum, and has limited financial support from the school, much of the Backstage Boosters' support is focused on fundraising to address financial shortfalls. We do this by promoting ticket sales, running raffles, and - new this year – a membership program. Not only do we help fund programming, but we also award four scholarships to graduating seniors each year!

We are asking for your help as we rebuild the program. While we had a very successful run of *Chicago* last fall, COVID has had lasting impacts on the program, so we are starting this year with limited funding for the Fall Musical. Please consider becoming an MHS Backstage Boosters Member by making a monetary donation. No amount is too small, and 100% of the proceeds go directly to our programming. The goal of the 2022-23 program is to produce a Fall Musical, Winter festival production, and a Spring Play or Musical (*the number of productions will depend on our fundraising efforts – while the goal is three, they may not all happen if we are unable to raise the funds needed*). One musical alone can cost upwards of 25K to produce. There will also be opportunities for volunteering at the productions throughout the year – more to come as we start the planning process!

Thank you in advance for your help!

-The Backstage Boosters Board
