

South Shore Regional Minority Educator Recruitment Fair

Hosted by Milton Public Schools @ The Copeland Field House
Milton High School
25 Gile Road, Milton, MA 02186

Saturday, March 3, 2018 | 9:30am - 12:30pm

For the first time in history, the number of Latino, African-American, and Asian students in kindergarten through grade 12 public school classrooms is expected to exceed the number of non-Hispanic, white students, but the racial and ethnic makeup of our country's teaching staff does not reflect this shift. There is a shortage of African American, Hispanic and Latino, Native American, and Asian educators, and this recruitment fair helps to encourage those individuals to pursue a career in education.

During the event, representatives from South Shore public school districts will meet with potential employees in an effort to find the most qualified minority teacher and administrator candidates. Resumes will be accepted at the event, applications will be distributed, and interviews will be held.

In addition, information about professional certification and career change options will be distributed at the fair. Area colleges and universities will share information on what higher education requirements must be met for participants to achieve their goals.

There is no cost to attend the fair, but business attire is highly recommended. Aspiring teachers are encouraged to bring copies of their resumes.
