The Milton School Committee Invites You to A Listening Session For the Milton Public School Community

Please join us and share your thoughts and vision for the district
as we look to appoint a permanent Superintendent.

**Thursday, January 14, 2021
7:00 PM**

- What are three strengths of the district?
- What are three areas the district needs to consider from a new perspective?
- How can the new Superintendent best support parent and community engagement?
- What are lessons from the pandemic we can use to improve and innovate: around facilities, budget, building partnerships, family engagement and school beyond the school walls.
- What would you like the Milton School Committee to ask a potential Superintendent candidate(s)?

[Please use this link to join the listening session](#). The Meeting ID 865 2353 1385 and the passcode is 697899. We look forward to our continued partnership with the Milton Public School community during this process.
