

Dear Parents/Guardians,

I want to first thank you for another amazing year for Milton High School Athletics! There were so many great accomplishments by our student-athletes and teams! With that being said, fall sports will be here before we know it and below is some information that you might find handy over the summer.

Fall Sports

Fall Sport Tryouts begin Friday, August 16th for Football and Thursday, August 22nd for all other fall sports. See link [here](#) for the tryout times for the first three days of each sport.

MHS Athletics Registration

Registration is NOW OPEN! In order for your student to be cleared to play, they must have a valid physical (within the last 13 months), they must take the concussion course, and they must register on Family ID. All directions can be found [here](#). It is best to get a physical over the summer as it will be valid for the entire academic year!

MHS Athletics Website

On the MHS Athletics Website, you will find everything you need regarding sports at Milton High School. The website will have schedules, rosters, news and recaps, facilities, All-Stars, Alumni, and more. To access this website, please click [here](#).

MHS Athletics Parent/Guardian Feedback Surveys

Our coaching staff works tirelessly to help each student-athlete become great athletes, and more important, great citizens. To help improve our Athletic Department, we seek feedback from our coaches, our student-athletes, as well as parents/guardians. Below are links to the Winter and Spring Feedback Surveys. All survey responses will be anonymous (unless you leave your name) and answers will remain with the Athletic Director and the Administration.
