

School Committee Goals for the MPS

- Develop and implement an integrated annual planning model (strategic, student achievement, budget, collective bargaining)
- Initiate digital literacy and computer coding programs of study for the MPS
- Successful execution of FY14 Advancement Initiatives (closing the proficiency gap, advancing Science and STEM initiatives, early literacy achievement)
- Develop a plan for full funding of clubs, athletics, music and art programs

School Committee Goals for the MPS

- Increase outreach to families with Pre-K age children and increase early literacy skills of those children
