

2D Studio Art Honors 907 Unleveled 926

Prerequisites: Foundation of Art

Successful completion of Foundations of Art is a prerequisite for this course. The fundamentals of representing accurate details, people, space and form on a two dimensional surface will be covered. An emphasis is placed on developing artistic behaviors. Students will learn how to experiment with materials with openness and inventiveness, develop their drawing skills and techniques through purposeful practice, and develop original and personally relevant concepts. This course serves as a prerequisite for Advanced Studio Art. The half year course is recommended to any art student intending to consider further study in the Visual Arts.
