

3D Studio Art Honors 909 Unleveled 914

Prerequisite: Foundations of Art

Successful completion of Foundations of Art is a prerequisite for this course. The fundamental of three dimensional designs will be covered. An emphasis is placed on developing familiarity with a range of three dimensional materials such as clay, wire, paper, etc. As the course progresses, students will be encouraged to develop personally meaningful concepts. This course serves as a prerequisite for Advanced Studio Art. This half year course is recommended to any art student intending to consider further study in the Visual Arts.
