MILTON HIGH SCHOOL
Office of the Principal

Dear Members of our Century Club, Members of the National Honor Society, other Honors Award recipients:

Scholastic Honors Night is an evening to recognize and honor students for their high academic achievement, excellent leadership skills, and civic responsibilities. The students who are honored this evening exemplify and embody all that we hope for in every Milton High School student. They are intelligent, hard-working, goal-oriented, and self-motivated; they exude a commitment to academic excellence that should serve as a blueprint for others to follow. Moreover, these individuals make the school and community a better place. These prominent members of the school community will be the leaders of tomorrow, and I am certain that they will continue to succeed in life and make their families, Milton High School and the Milton community very proud.

Congratulations,

Karen J. Cahill
Principal

NATIONAL HONOR SOCIETY

Student screening for selection for membership in the National Honor Society begins after the first semester of the Junior year. The weighted grade point average for Grade 9, Grade 10, and Grade 11 (first semester) must be at least 3.7.

Students who attain this average are invited to apply for membership. The application requires the student to detail experiences that show evidence of leadership, character, and service. The application is then read by each of the members of the National Honor Society Faculty Advisory Board. They must decide if the student is of good character and has shown leadership and service to the school and/or community. The members vote, by secret ballot, for admission.
