Our Fall Programming...always free!

StoryWalk® at The Trailside Museum - enjoy a colorful fall children's story with your family that follows a leaf as it glides on gusty fall winds. See if you can find the chicken, ducks, geese, turkey, spotted cow, and other items mentioned in this great book! The Trailside Museum's outdoor grounds are open daily 9:00-4:00 and is located at 1904 Canton Avenue in Milton.

StoryWalk® at Houghton's Pond - enjoy this terrific children's story with your family about three baby owls who thought they lost their Mom! This warm-hearted story is posted around the playground in English, French, and Spanish. Houghton's Pond is open daily from dawn to dusk and located at 860 Hillside Street in Milton.

StoryWalk® at Tucker Elementary School - enjoy an amazing children's story with your family and find out how, after thousands of miles and the help from international news media outlets, a lost family pet finds his way home! This true story is posted in English, French and Spanish. Tucker School is available to the public when school is NOT in session and is located at 187 Blue Hills Parkway in Milton.

**Many thanks to the Milton Cultural Council for
their support of the Houghton's Pond and Tucker School StoryWalks®!**

Many thanks to our translators: French translation by Marianne LeBigot, French Reading Specialist and Spanish translation by Heydi Cambria, Spanish teacher at Milton Public Schools and Yalennys Valezquez owner of Little Spanish Garden Bilingual Childcare in Milton!

What is a StoryWalk®? It's a self-guided, unique, and fun way to enjoy a children's story book outdoors. Pages of a book are laminated to protect them from the weather and posted in areas of town that are child-friendly. And, the pages are numbered so you don't lose your way!

Stories and Friends Meet Up #1: Signs of Fall!

A free at-home learning extension activity will be distributed to the first 35 children who sign in that morning. This program will meet on Saturday, October 22nd, at 10:30 AM at 860 Hillside Street in Milton.

Watch for our Upcoming Playgroups Registrations!

Our popular, virtual, winter playgroup series for children 2 1/2 to 4 years old will return in January and February. Watch for registration early to mid-December. Learning at Home Extension kits will be provided to enhance each weekly session. This is a fun program with lots of songs, movement, finger-play, and stories and will be held from the comfort of your home, so winter weather does not interfere with the weekly sessions!

Our long-running and highly anticipated Learning Through Play Preschool Playgroup series will return in March and April. Watch for further details and registration in early February. Professor Dotty Alexander will be heading up the team once again. We'll be meeting on Saturday mornings at Discovery Schoolhouse for fun learning through play. Weekly At Home Learning Extension Activity bags will be distributed weekly. Completion of the Ages & Stages Questionnaire will be required. ***This Playgroup series is funded through the Milton Hospital Community Health Grant.***

WE NEED YOUR HELP!!

We are looking for parents and grandparents of young children (birth to 8 years old) to join our Advisory Council. If you would like to help inform our programs and share your thoughts and ideas, please email

cpcmecasld@verizon.net.

We would love to hear from you!

Leaf Rubbing Project

You'll need:

Various leaves not yet dried out
White paper
Crayons without paper wrappers

Instructions:

Help your child lay a leaf under a white piece of paper. Have your child use the side of a crayon and rub it back and forth over the white paper in the area of the paper where the leaf is underneath. Watch the shape and structure of the leaf appear!

To make a pretty collage, suggest to your child that they use different shaped leaves and different colored crayons to create various leaf rubbings to fill the white paper with colorful leaves. Your child may need to press down hard to achieve the desired result.

Developmental Skill: This a great fine motor skill that will help develop the muscles and tendons in their hand, wrist, and fingers!

Did You Know?

If you read just **1 book a day** to your child, they will have read 1,825 books by their 5th birthday!!

Is Your Child's Car Seat Safe or Fake?

The MA Dept. of Public Health's Injury Prevention and Control program is raising awareness around a concerning trend that fake child car seats (car seats that don't meet the federal safety standards) are being sold at affordable prices on Amazon and other on-line retailers. Children's Hospital of Oregon created a detailed handout on how to spot a fake car seat. Use this link to help you determine if the car seat your child is using is safe and meets federal safety standards:
