****This special activity is open to Camp CU campers attending Session 2 only****

In a real sense acting and performance involve skills that are applicable to all aspects of our lives -- We all act our parts every day! **ShowTime Theatre** channels a child's natural instincts to role play and gives it a stage upon which to share that creative expression with others while learning much about themselves in the process.

ShowTime Theatre is a joyful, playful, empowering stage performance experience to bring out your child's wondrous best. The nuts and bolts of the program are:

- Theatrical Warm-Up including tried and true theatre exercises and activities to improve fundamentals like voice projection, stage orientation and body language.
- Teamwork Games such as skits and Improvisation.
- Rehearsal Time: time spent each day rehearsing an ensemble piece to be performed at the end-of-the-week Talent Show.
- Marshmallow Campfire Storytime: a dramatic, delicious end to each day's work that includes a "prop" campfire and real marshmallows on a stick (A non-edible alternative such as gold coins, feathers – fun stuff like that – is available for those who do not want marshmallows)
