Collicot Mission

At the Collicot School there is a commitment to academic excellence and high standards for administrators, teachers, and students. The dedicated and creative Collicot teachers and staff are committed to maximizing the individual potential of each child. Through a wide variety of challenging activities and experiences, we strive to provide a strong academic foundation and a love for learning in a secure, safe, and stimulating environment that values individual differences.

We Are the Collicot Cardinals!

Focus on School Improvement

1

Academic & Social
Emotional Growth

2

Thoughtful Integration of
Technology

3

Engage Students, Staff, &
Families

SIP Goals:

Goal #1: Collicot Staff will work to provide instruction, intervention and programming to support academic and social emotional growth.

Result: Increased participation in school based programs which will result in increased academic achievement and growth.

Goal #2
Thoughtfully integrate technology into daily academic instruction in an effort to support college and career readiness.

Result:
The development of responsible digital citizens who can demonstrate strong skills and competencies across print and digital platforms in all academic areas

Goal #3: Collicot Staff will maximize opportunities to engage students, staff and families in culturally competent events and practices.

Result: Students and families of all backgrounds will feel more connected, engaged and welcomed at school.

Let's Celebrate Highlights High Needs Students

This summer we were the first to welcome back students in person!

Those who required intensive special education instruction began 7/6 and successfully ran through 8/14 from 8-11am

Detailed procedures were implemented for safety including:

- training with PPE
- social distancing
- trained those to respond to a health need or crisis
- drop off/ pick up procedures

On 11/30 we were able to safely bring these classrooms back for a full day of in person learning!

Protocols were developed to meet the individual needs of students and staff including detailed plans to allow for eating
