

# Milton School Food Service Program

# Amazing Team

## USDA Farm to Family Box

# Produce Boxes

The food service program worked with our produce company to create these boxes when the USDA boxes were not available to offer our families healthy fruits and vegetables to accompany their meals. These boxes also allowed us to be in full compliance with the USDA Vegetable subgroups

# Thanksgiving Dinner Provided by Steel and Rye

Steele and Rye offered weekly meals to our families during the school year as well as providing Thanksgiving Dinner

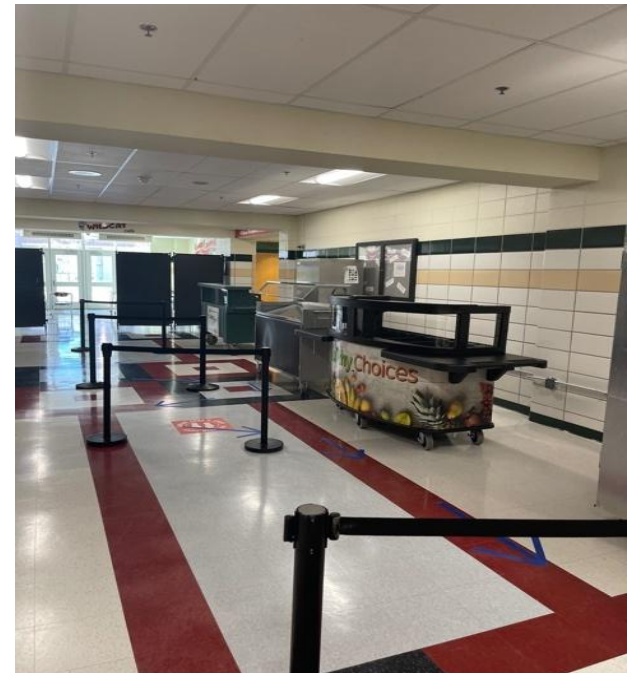

MA was the only state where more than 50% of all food was reported to be provided by schools/community orgs than any other source.

# Full Return to School Meals

Grants were awarded to the food service program that allowed us to purchase mobile carts. We set these up outside the gym at our middle and high school to allow students to pick up free meals in a grab and go manner
