	NO MILTON HIGH STUDENTS ARE ASSIGNED TO THESE ROUTES AT THIS TIME			
	Note: The 9A has about 18 kids assigned to this stop on that route. We will be reassigning them			
	We are looking into reassigning those riders to this route as I think that bus is pretty			
	full. You will need to go down Hope Ave even though no one is getting on in order			
	to turn around to pick the student up at 261 Granite Ave. If you can think of a better			
	way to do it please let us know.
