**What do we need
to get there?**

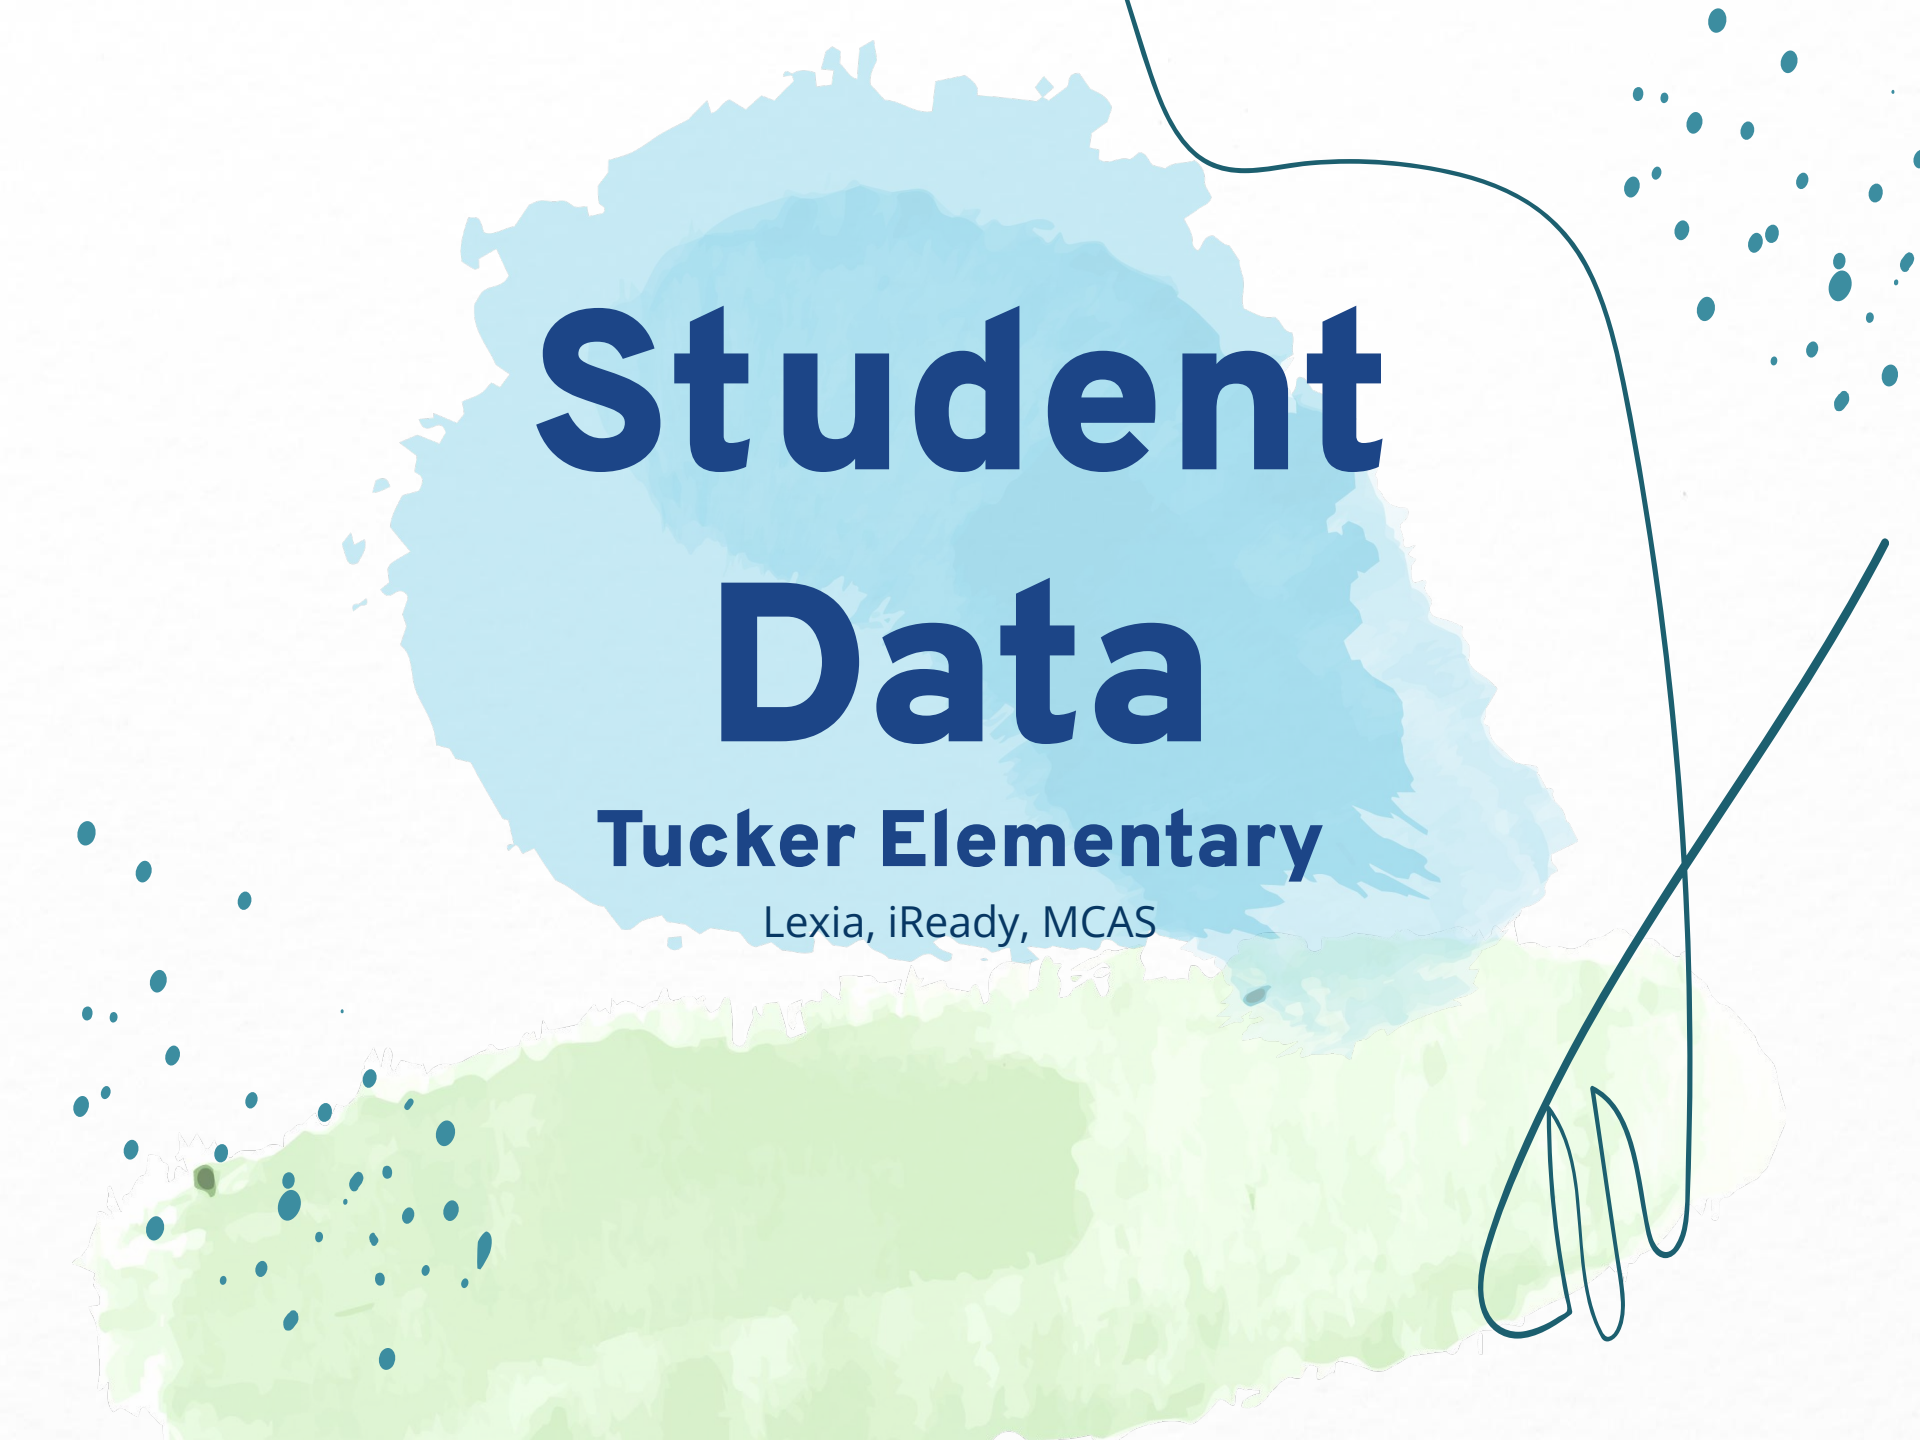

Action Items

Next Steps

- Relentless focus on data
- Implementation of new curricula
- Ongoing professional development on Personalized Learning/Universal Design for Learning (UDL)
- Build student capacity around tracking goals towards standards
- Reinforce PBIS/Second Step
- Increase supports for all students (special education programming)

Thank you!

The background features a light blue watercolor shape at the top and a light green watercolor shape at the bottom. Scattered throughout are small dark blue dots. A dark teal line starts from the top right, curves down, and ends in a series of loops at the bottom right.
