The leagues listed below shall be considered Charter Divisional Members of the Bay State Conference. The leagues were named after Mr. Fran Carey and Mr. Fred Herget. The divisions are named the Carey Division (large division) and the Herget Division (small division) of the Bay State Conference (BSC). Divisional placement is based completely on enrollment and may be adjusted to reflect this.*

# Tournament Qualification

# Qualification Routes

---

- Minimum winning percentage of 50%
- 1st or 2nd place in Herget Division
- MIAA Rule 93.7.2 - *Sullivan Rule*\*
  - Boys Soccer

\* Rule 93.7.2

In leagues (or divisions within a league) where a team's schedule is comprised of seventy percent (**70%**) or more of higher division schools, **all MIAA league and MIAA non-league contests played against equal and/or lower divisions may solely be considered in the fifty percent (50%) qualifying criteria**. Schools may also access the 70% tournament qualifying opportunity if a league (or divisions within a league) is aligned by enrollment BUT the league (or divisions within a league) requires cross-scheduling to the extent that at least 70% of the school's total required opponents are in a higher tournament division.
