

A message from GLOVER ES

Dear Glover Families,

In true "Glover Gives Back" fashion, we are excited to announce our next initiative: **Treats for Troops!** If you end up with an abundance of candy this Halloween, please consider sending it in to school with your child. We'll be collecting donated candy in the lobby on **Thursday and Friday**. Your child can either drop it off on his/her way in or give it to the teacher to send up to the donation boxes. On **Monday, November 5** (this Monday), students are invited to join us in the cafeteria after school to help us package the leftover candy up and prepare it to be sent to troops serving our country. Students should come with a grown up after dismissal to the cafeteria on Monday and we will be done by 4! Anyone is welcome to come and help!

This is just a reminder about our other **Glover Gives Back initiative: Project Giving Kids**. As you know, we are collecting donations in the lobby for Jared Boxes. We are collecting items that will be used to assemble boxes to lift the spirits of children in the hospital. We are collecting donations through Friday in the Glover lobby. These boxes will be assembled during the Create the Change day event on Sunday, November 4. To participate and buy tickets for this special event, please go to
