

Dear Glover Families,

We had another fabulous week at Glover! We enjoyed a presentation by the cast of the Addams Family, had a visit from our friends at MFD and learned about fire safety, held our first Glover Book Club meeting, celebrated our differences in fourth grade, and enjoyed a visit from the Milton Garden Club. Today's comfy, cozy day, brought to us by the Glover School Spirit Student Leadership Team, was awesome!

A Look Ahead...

Digital Citizenship Day: It is with great excitement that we announce the first-ever elementary school Digital Citizenship Day. Glover's Digital Citizenship Day will be held on Tuesday, February 11th, 9:20 am - 12:20 All Milton Public School elementary students will take part in two to four engaging digital citizenship lessons during this exciting day. The lesson topics will include but are not limited to, digital footprints, internet privacy, copyright, cyberbullying, creating passwords...

The "ready to teach", "no teaching experience needed" lessons will be delivered by family volunteers. Each class will need two to four volunteers. The lessons will be shared with the volunteers in January, and if the volunteers need support in preparing for the day a training session will be offered for all of the volunteers. If you would like to volunteer please complete the [Google Form](#) for your student's school.. Please look for more detailed information in the coming weeks.

If you have any immediate questions please email [AJ Melanson](#), MPS Educational Technology Director.

Glover Gives Candy Drive: In true "Glover Gives" fashion, we are excited to announce our next initiative: **Candy for Cancer**. If you end up with an abundance of candy this Halloween, please consider sending it in to school with your child. We'll be collecting donated candy in the lobby from **Friday, November 1 - Wednesday, November 6**. Your child can either drop it off on his/her way in or give it to the teacher to send up to the donation boxes. On **Thursday, November 7**, students are invited to join us in the cafeteria at 6 pm to help us package the leftover candy and prepare it to be sent to Dana-Farber Cancer Institute. Students should come with a grown up to the cafeteria on Thursday and we will be done by 6:30/6:45. Anyone is welcome to come and help!
