OPEN HOUSE NOTIFICATION: Thursday, October 15, 2020 at 6:30PM

Dear MHS Students and Families,

This year, the MHS Open House will take place on Thursday, October 15th from 6:30PM to 8:10PM, and will be conducted through Student Google Classroom accounts. In order for this to happen, students will need to provide their parent/guardian(s) access to their MPS Google (@miltonps.org) accounts in order to access Google Classroom and the appropriate Google Meet Links for the evening. Here are some ways students can approach sharing this information:

1. If students do not want to share their password, they should consider helping their parent/guardian(s) access the Open House and then join them for the sessions. Students might learn something new from attending, and then can logout of the sessions when they are complete.
2. If a student's password is something used for multiple/all of accounts, consider changing the password before Open House and then changing it back after the Open House to keep all accounts secure. Remember, the best practice is to have different passwords for different accounts.
3. If students are comfortable sharing passwords with parent/guardian(s), consider changing the password afterwards. In general, in order to keep accounts secure it is a best practice not to share passwords with others.

To Change a Google Account Password:

- Go to accounts.google.com and sign in with your @miltonps.org account
- Click on Personal Info on the left side
- Click on the arrow in the Password row
- Enter your current password
- Then enter your new password twice

If you have any questions or concerns regarding passwords, feel free to email jtroy@miltonps.org
