

PIERCE STUDENT GOVERNMENT

Are you interested in making a difference in your school? Consider running for a position in student government!

Applications are now available [HERE](#), please listen for more updates or see Mr. Smith in room 324 or Ms. Percuoco in Room 330 for more details!

COUNSELOR'S CORNER

It's that time of year! Every fall we receive requests from students and their parents to complete applications and write recommendations for admission to private/parochial schools. If your child is considering applying to a private/parochial school, please follow the guidelines listed below:

- Contact your child's grade level guidance counselor **at least 3 weeks prior to the application deadline date** via email or phone when you have made the decision that your child is going to apply to a private/parochial school
- Ask your child to complete the Student Information Sheet. Counselors need this form in order to complete the recommendations. Click [HERE](#) to access the form.
- Guidance counselors are responsible for completing the school report form and the principal/guidance recommendation.
- If other teacher recommendation letters are required, please contact your child's teacher(s) directly via email to make that request and follow up directly with those teachers.
- Please give both Guidance Counselors and Teachers at least 3 weeks to complete the application/recommendation process.
- In the Spring, please let your child's Guidance Counselor know if they will be attending a Private School for the 2020-2021 school year.
- If you are having technical difficulties with the websites, please contact Ravena/Gateway or the private school directly.

Students in Mr. McElhinney's Civics classes have been studying democracy and the Constitutional Convention. In class, the students held a mini Constitutional Convention and created a profile of its delegates.

REMINDER TO ALL STUDENTS

Be sure to charge your Chromebook every night to ensure you are prepared for classes each day.

CHROMEBOOK DAY LOANER PLAN

In an effort to promote student responsibility, we have a new plan regarding borrowing Chromebooks for the day when they are forgotten at home. Students will be able to receive a day loaner Chromebook from Ms. Royster three times per term (12 total per year). After a student has reached their max for the term they will not be allowed to receive a day loaner from Ms. Royster. In addition, there will only be 30 day loaner Chromebooks available.

This policy does NOT include broken devices. If a student has a broken Chromebook, they will bring the broken device to Ms. Royster who will provide the student with a replacement Chromebook (not day loaner) to use until the broken device is fixed.
