CHROMEBOOK INFORMATION FOR CURRENT 8TH GRADERS

We are excited to share with you that Milton High School will continue with their one-to-one Chromebook initiative (1:1) for all ninth and tenth grade students next year. In adopting this model, all ninth and tenth grade students will receive a school-issued Chromebook that they will take to and from school on a daily basis. Ninth and tenth grade students **will not** be allowed to bring their own device to school.

All current eighth-grade students will be asked to return their loaned Chromebook and charger to Pierce Middle School the last week of school. Students attending Milton High School this fall will receive their Chromebook in advisory on the first day of school.

Optional Chromebook insurance will be offered to all students loaning a Chromebook. It is highly encouraged to purchase insurance for their school-issued Chromebook. If insurance is declined, students are held responsible for damage beyond reasonable wear and tear as outlined in the [Loan Agreement](#). Information on how to purchase Chromebook Insurance and 1:1 Chromebook initiative for the 2022-23 school year will be shared in the coming weeks.

MUSICIANS ON TOUR

The Pierce Music Directors, Ms. Sykes, Ms. Miller and Mr. Ortiz organized a mini tour to the Tucker and Glover Elementary Schools on Friday, May 27th. Students in the Pierce Jazz Band, Chorus and Chamber String Ensemble performed for 5th graders. The goal of this mini tour was to show the amazing 5th graders all the musical opportunities they will have at Pierce when they come to the Middle School next Fall.
