

# Tucker Elementary School PTO

## Dear Tucker Families,

Welcome to the 2013-14 school year! Every parent/guardian is a member of the PTO, there are no dues. The mission of the PTO is to build community and support the curriculum through volunteer efforts of families. There are many ways to get involved. Volunteer to help at an event, join a committee, work on a project you care about, and have positive impact on your child's Tucker experience. We are fortunate to have an involved school community and hope that you will join us in our efforts to build educational success together so that Tucker will continue to be the best we can be for every student and family, academically, socially and culturally.

## RECENT PTO SPONSORED EVENTS & PROGRAMS

SMART BOARDS

STEM Garden Institute

Spring Fair

Pot Luck Dances

Cultural Events

BooHoo Yahoo Coffees

Outdoor Classroom

Field Trip Buses

Gift Cards for Teachers

Visiting Workshops: Museum of Science, Storytellers, Curious Creatures,  
Boston Ballet & Boston Aquarium

### 120 MINUTES

Tucker School follows the 2 hour power hour model. Every parent is expected to commit just two hours to help out or participate in an event of activity in the school. Your two hours can be spread out through the school year or applied to just one event. The PTO Board can help match your interests and talents with upcoming events. Are you passionate about technology, math, science, language, arts or literature? Speak to a Board Member or you can send an email to [tuckerptomilton@gmail.com](mailto:tuckerptomilton@gmail.com).

## 2013-14 PTO BOARD

Cathy Madigan – *Co-President*
